**Love of Learning for Life**

I came to give life — life in all its fullness. John 10:10

Dear Parents,

We will be trialling a new morning routine from **Monday 4<sup>th</sup> December**.

We will open the front gate to the Preschool from 8.30am for parents and children to wait in the outside walkway up to the water butt. We will open the door to let children enter from 8.45 as usual as we cannot let children in before this time due to insurance.

We ask that children are kept away from the door before it opens as we are preparing for the session and often in a meeting.

We hope this helps ease congestion on the path in the mornings and keep the children safe away from the road whilst you wait.

Thank you, as always, for your continued support,

The Little Acorns team
