

Acorn Class, Term 2

Our topic this term is 'Celebrations' and we will be investigating the enquiry question, 'How do we Celebrate?'

Please see the attached Knowledge Organiser which gives the main concepts we will be covering. Your child will continue to have a weekly sheet for you to use to help support your child with their phonic knowledge. There will also be weekly home challenges to further support with this term's learning. We will be writing and mark making daily.

Show and Tell

Your child is invited to bring something in for Show and Tell and this will take place every Friday afternoon. It is a lovely way for children to grown in confidence when speaking to a group and to gain skills in asking and answering questions. Please can Show and Tell be linked to our learning this term. Use the Knowledge Organiser to help your child to choose a suitable object or subject to share.

Rockets!

We will be making our own firework rockets this week. Please can we have toilet roll or paper towel tubes asap.

Snack monitors

Every child in Acorn class will have the opportunity of being snack monitor. A new job will be to pour a cup of water for every child to have with their morning fruit or vegetable snack. This is a great way to incorporate counting and sharing skills, as well as building up muscles in our hands to support writing. **NAMED** water bottles are still required every day.

Maths workshop – supporting maths at home.

Please look out in the week for details of my Maths workshop and how you can sign up to attend.

Don't forget...winter uniform from Monday...and even if it rains, we will be going outside so hoods on coats please but no umbrellas for school – we do not have drying space for them!

Looking forward to seeing you on Monday
